

## PROFILE OF MARLIN MARYAPNOR

*"The art of teaching is the art of awakening curiosity in young minds."*

Marlin Maryapnor is a dedicated and visionary educator with a B.Sc. B.Ed. degree, committed to transforming classrooms into vibrant hubs of learning and exploration. Since 2022, she has been serving as a Science Teacher at Mar Thoma Vidyapeeth, Goveli, where she specializes in teaching science to Grades 6 and 7, and biology to Grades 9 and 10.

Renowned for her dynamic teaching approach, Marlin combines hands-on experiments, interactive activities, and modern educational tools to ignite curiosity and foster critical thinking among her students. As a Primary Teacher (PRT) for Science from 2022 to 2024, she introduced innovative pedagogical techniques that enhanced both student engagement and academic outcomes.

A CTET-certified educator, Marlin excels in leveraging educational technology, facilitating inclusive learning environments, and managing classrooms with finesse. Her ability to communicate fluently in English, Hindi, Marathi, and Telugu enables her to connect effectively with a diverse student and colleague community.

Beyond her professional achievements, Marlin is an approachable and creative individual who enjoys singing, cooking, and mentoring students. Her holistic approach to education emphasizes not only academic excellence but also personal growth, nurturing students to become confident and well-rounded individuals.

*"Education is not just about imparting knowledge; it's about inspiring minds to dream, discover, and achieve their fullest potential."*

This belief drives Marlin's unwavering commitment to shaping the leaders and thinkers of tomorrow, making her an invaluable asset to the global education community.
