

My name is **Mrs. Namrata Pawar**, and I am thrilled to have the chance to share my passion for education and my dedication to fostering a nurturing and inclusive learning environment.

I have a deep-rooted enthusiasm for teaching, which has been a driving force throughout my academic and professional journey. I hold **M.A.(History), D.ed. (All subjects)** degree from **Mumbai University** which have provided me with a strong foundation in my teaching career. Additionally, I have gained valuable experience through **Maharashtra State Certificate in Information Technology with distinction and having typing speed of 40 word per minute.**

I have **10 years of hands-on teaching experience**, it is my goal to combine my range of experience, with my ability to be a compassionate, enthusiastic, intelligent teacher. I have worked in G. S. Pamnani School (Ulhasnagar) in 2011, G.R. patil School (Titwala) in 2012, I.E.S (Titwala) in 2013, , N.E.H.S. ( Ulhasnagar) in 2015 ,Holy family Convent School (Badlapur) in 2015 and **currently working in esteemed educational institute Mar Thoma Vidya Peeth (Titwala).**

Over the past 10 years, I have had the wonderful opportunity to teach a diverse group of students, and as a result, I have developed highly effective teaching techniques and instructional methods, which have allowed me to educate all styles of learners, and foster a fun, engaging and a positive learning environment. Within my career, I have **assisted for Annual day and Sport's Day as I am keen with dance and sports activities.** I was involved in the curriculum planning and development, as well as day-to-day staff and student management.

One of my greatest strength as an educator is meeting each student's unique needs by developing a personal understanding of each one of them. I am able to achieve this by seeing and assessing my students as individuals and tailoring lesson plans to accommodate multiple intelligences. Furthermore, **I ensure that all my students are able to grasp learning concepts and enhance their personal skills by providing learning centers, hands-on manipulative and fun activities.** I utilize these strategies to introduce new concepts, establish a connection between the classroom and everyday life, and to foster and engaging learning atmosphere.

**I am confident that I can significantly contribute to Mar Thoma Vidya Peeth's academic community and positively impact the lives of your students.**
